BLUESTONE

Adventure Centre

Jump, slide, putt and dangle at the Adventure Centre, one of Bluestone's exciting new additions.

The Adventure Centre brings the great outdoors indoors. The central feature is a giant countryside themed adventure playground with four large towers, linked by suspension bridges, crawl tubes, nets, ladders and slides. Perfect for hide and seek!

A soft play area with ball pool and spiral slide keeps the younger ones active while the whole family can have fun playing mini golf. For the daring, there's the sky trail, a high ropes course with 12 obstacles to negotiate - all 20 feet above the ground!

Crealy Park Devon - Pirates' Revenge

Adventure PLAY

PIRATES' REVENGE

A multi level, swashbuckling, pirate themed play attraction, designed and built for Crealy Park Devon.

The four pirate towers stand each an amazing nine metres high! Inside each tower there is a maze of nets, log ladders, net elevators, secret doors, crawl tunnels and huge tube slides to explore and play pirate.

To create the immersive theme, the play area was dressed with rigging, barrels, pirate murals, sail cloth, masts, pulley blocks, treasure chests, crates and life size pirate models.

Also the entire structure acted as a sound proofing barrier and fantastic backdrop to the existing pirate galleon swing boat ride.

PLAY SCULPTURE

Timber Play sculptures are beautifully hand crafted from robust Laminated timber or reclaimed tree trunks. Our carpenters and chainsaw artists can fashion anything from your imagination. The sculpture can take on many roles, a functional Play seating element, a roleplaying environment, a storytelling circle, adventure golf course obstacle or a stand alone work of art. The product will sit in any surrounding from natural woodland to an urban setting. These sculptural pieces are attractive to all age groups and encourage creative, communicative and imaginative Play.

COME INTO PLAY - STONE

Adventure PLAY

Come Into PLAY at Just under 14,000sq.ft is a new exciting children's indoor PLAY centre in Stone, Staffordshire. The bespoke timber system is designed to bring the outdoors indoors. To keep every child entertained, there are timber towers to climb, tunnels to crawl through, rope bridges to cross and of course the mega four lane Astro slide to whizz down. As if that wasn't enough, there is 'The Gauntlet' for children to challenge their friends on to see who can make it through the course first. In addition there is a nest swing to 'chill out' on, a ball blast arena, a sports court and a trampoline.
